SIZE

Note:Size is subject to actual sample.

► Details:

- 1、 The rolling pin is made of pine wood, please do not put into water in long time, or the wood would be crack.
- 2、 If the surface of wood feel rough, could daub some salad oil, it could protect the wood.
- 3、 Using water to clean it after using. Solid wood products is natural anti-bacteria. So just need to wash flour and other residue when washing.
- 4、 Do not suggest to use dishwashing liquid as it would be permeate into the wood.
