Product Size

Detailed Images
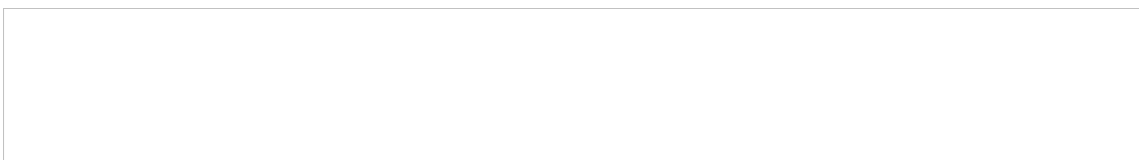

Made of high quality stainless steel.

**Safe material, non-toxic,
tasteless, environmental protection and health.**

**High strength, good hardness, safety and health,
strong and durable.**

**Edge welding is uniform and corner with covering edge
so that would not hurt your hand.**

Not easy to cause deformation, not easy to rust, easy to clean.

Use method

Clear shape, cookie mold is more lifelike

Just gently press downward , the picture came out then
