**DETAILS**

A close-up photograph of the tip of a knife blade, showing its sharp point and smooth, polished surface. The blade is set against a dark, textured background.

Made from 3CR14,  
superior performance,  
sharp and durable

A full-length photograph of a knife, showing the entire blade and the handle. The blade is long and curved, with a sharp edge. The handle is black and appears to be made of a different material. The knife is set against a dark, textured background.

With advanced heating processing,  
fine rubber wheel polishing,  
excellent performance of cutting.

Stainless Steel  
Forged Handle + ABS,  
good holding feeling  
with proper weight.

Classic design of handle,  
give you professional  
cooking experience.
