There has no "Kuang" sound when cook and ladle out soup, enjoy no noise meal ambience	It is custom for non-stick pan, would not scrap the non-stick layer of pan and don't worry the food would stick pan	With pure and fresh, beautiful color

Detailed Image

Light silicone material,easy to use,easy to clean

**Handle with hole to hand,
considerate storage Design, could help to save space**

Attention:

Please do not always put the soup ladle in or near the edge of pan, put into the pan in long time, even though the soup ladle handle is stainless steel material, it would become very hot, and silicone or nylon product would be melt.
